Lindblom High School

## *Enduring Memories*

THE MEMORIES WE SHALL CHERISH ALWAYS ARE THOSE OF OUR DAYS AT LINDBLOM. THESE WERE THE DAYS THAT CHANGED OUR IDEAS AND IDEALS AND FASHIONED US INTO YOUNG MEN AND WOMEN. . . . IN THE YEARS TO COME WE SHALL REMEMBER THE CREATION OF NEW INTERESTS IN THE CLASS-ROOM, THE DEEP SATISFACTION FROM EXTRA-CURRICULAR ACTIVITIES AND THE LASTING HAPPINESS FROM THE FORMATION OF NEW FRIENDSHIPS. . . . LOOK BACK WITH US AT SOME OF THESE ENDURING MEMORIES.

# Dedication

CARRIE LOUISE GEORGE

The **Eagle** has long been synonymous with the career of one of Lindblom's most gracious and benign teachers. It is with sincere affection, therefore, and deep gratitude that we dedicate this issue of the **Eagle** to Miss Carrie Louise George, who has been the sponsor of this publication since 1928. Her enthusiasm, intellectual acumen, and literary zeal have been a source of inspiration to all who have helped shape the destiny of the **Eagle** through the years. Under her guidance it has served as a worthy tribute to Lindblom's progress in the development of good citizens and community leaders.

Now, we proudly pause to offer our appreciative recognition of a distinguished record of service devoted to the young people of Lindblom whom she leaves enriched with endearing mementos of classroom fun and lore and the joyful achievement of a perennial literary goal. May her protege, the **Eagle**, endure with the vitality and zest with which she has infused it, and may its heirs cherish the enduring memories of her wisdom and counsel.

# Memorable Moments

Waiting, breathless, for the judge's decision; then, the announcement! "S" is awarded to the Lindblom A Cappella Choir! There is another championship shield to hang in Keeler Hall and the memory of another outstanding achievement to look back upon at L.T.H.S.

"QUILL AND SCROLL," is an award for Superior accomplishment. Few in Lindblom realize the time and effort that the Weekly staff has put into each edition of the Weekly. Long after we have all left Lindblom, however, we will think back to the time when every Thursday we rushed to division to obtain our coveted copy of that wonderful paper, "The Lindblom Weekly."

Carrying out the Lindblom tradition of a championship school, the Picked Platoon again won first place in the annual competition. Watching the boys perform at the Armory, the elegant banquet, The R.O.T.C. Assembly, and that wonderful day when the medals were awarded to the outstanding cadets are all memories which shall remain in our hearts long after we have graduated.

# Challenger Meets Champion

From Byrne Field, to Shewbridge Field, to Soldier's Field! As we think back to the fun-filled days we spent at Lindblom, memories of our '51 football season remain foremost in our minds. Experiencing the thrill of winning the City Championship title and taking part in the memorable Pep assemblies to honor the stars of the gridiron will always remain in our minds as a very significant addition to our enduring memories.

# *The Eagle Welcomes . . .*

## *It's New Sponsor*

The Eagle is indeed fortunate in having Miss Marita Hogan sponsor the next lap of its flight. Holding teaching certificates both in Latin and in English she is admirably qualified for her new task. Although relatively a newcomer to Lindblom, Miss Hogan has already won a secure place in the esteem and affection of teachers and students. To work with her on the Eagle will be a very worthwhile experience for members of the staff. Her youthful enthusiasm and outstanding ability cannot fail to prove stimulating. Faculty and student body wish her well in this new endeavor.

# THE SCHOOL

THE LINDBLOM OF YESTERDAY AND TODAY,  
THE BUILDINGS NEW AND OLD, THE MEMO-  
RIES OF CLASSES AND CLASSROOMS, OF  
TEACHERS AND STUDENTS, OF THE VARIETY  
OF LIFE THAT COMPRISES A SCHOOL . . .  
ALL THESE ARE OURS . . . LUCKY LINDBLOM!  
HAPPY LINDBLOM! MIGHTY LINDBLOM!  
OUR LINDBLOM!

## *Princi--PAL*

### MR. HARRY YATES

Each student feels that Mr. Yates, while exacting in what he asks of the school body, is a true and understanding friend as well. His goals are the best and fullest development in character and the highest and finest in achievement for each student.

# *Lindblom's Pride*

## **MR. PALMER**

Capable, understanding, firm yet friendly, eager to help any Lindblomite, Mr. Palmer is indeed a friend to all. He will forever hold a prominent spot in our memories.

## **MRS. RADEMACHER**

To know Mrs. Rademacher is to know that our program problems are in good hands. Her efficiency and poise are equal to any situation which might arise during registration.

## **MRS. WILBUR**

Without the help and aid of Mrs. Wilbur, Lindblom would not run so smoothly. She assists the students in many ways and is well-known for her sunny disposition.

## *Miss Shea*

Miss Varian Shea, superintendent of District 4, has become a valued friend to all in Lindblom since her appointment to her present position.

## *Sergeant Natale*

With the leaving of Sgt. Natale, Lindblom lost one of its very best R.O.T.C. instructors. While at Lindblom, Sgt. Natale and his boys won many championships. From 1944 to 1951, with the exception of 1946 when it took second place, the picked platoon has won the city championship. In addition, Sgt. Natale originated girl cheerleaders at Lindblom, an activity which has been very successful.

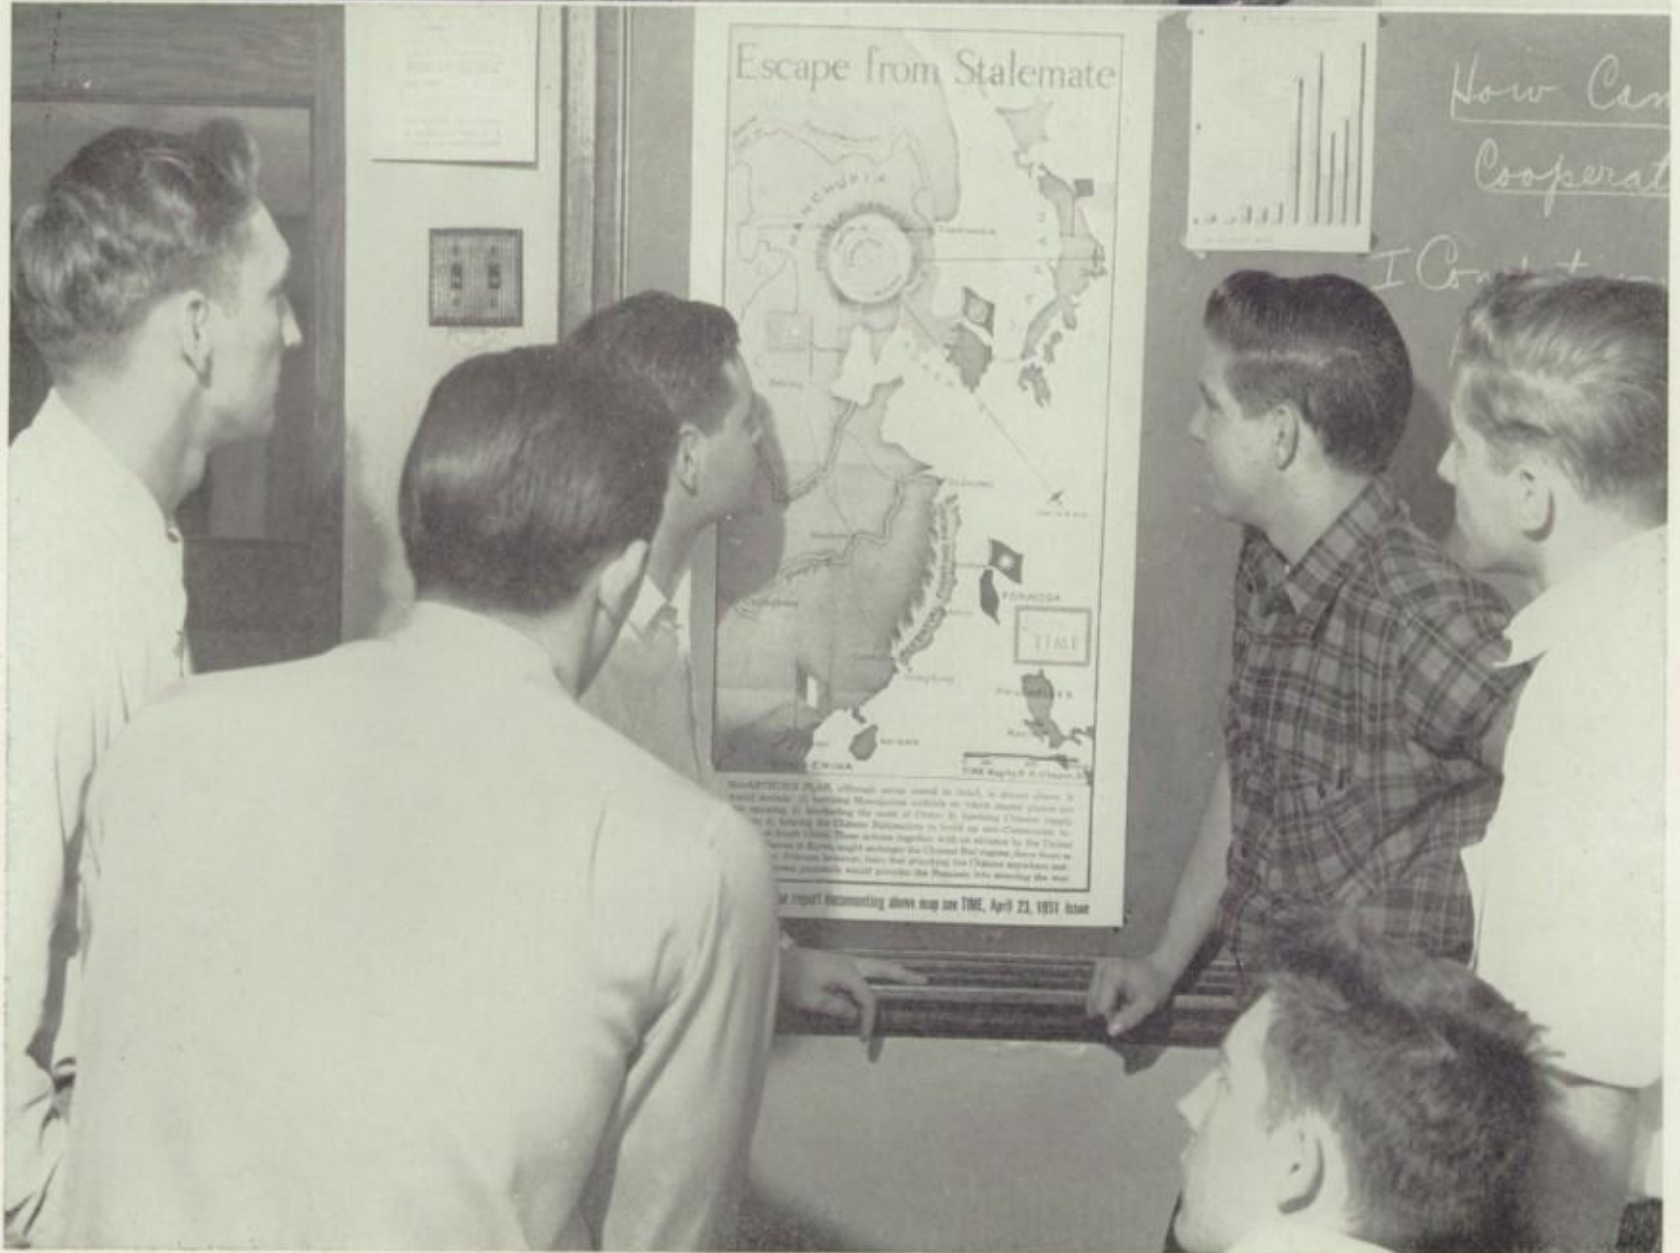

## *Social Science Department*

World history and United States history, civics, and geography are just a few of the many courses offered by the Social Studies Department. The teachers of this department help the students to become better citizens of the world, not by limiting their teaching to the past alone, but by stimulating discussions on current news and events.

## *English Department*

All the "do's" and "don'ts" of our own English language are given special consideration in Lindblom's English Department, headed by Miss Garrity. Journalism and Speech can be substituted for third-year English. In all these classes good taste, selection, and understanding of literature are also stressed. The solid background of these necessities provided at Lindblom will help the students greatly in business and pleasure in years to come.

## Technical Department

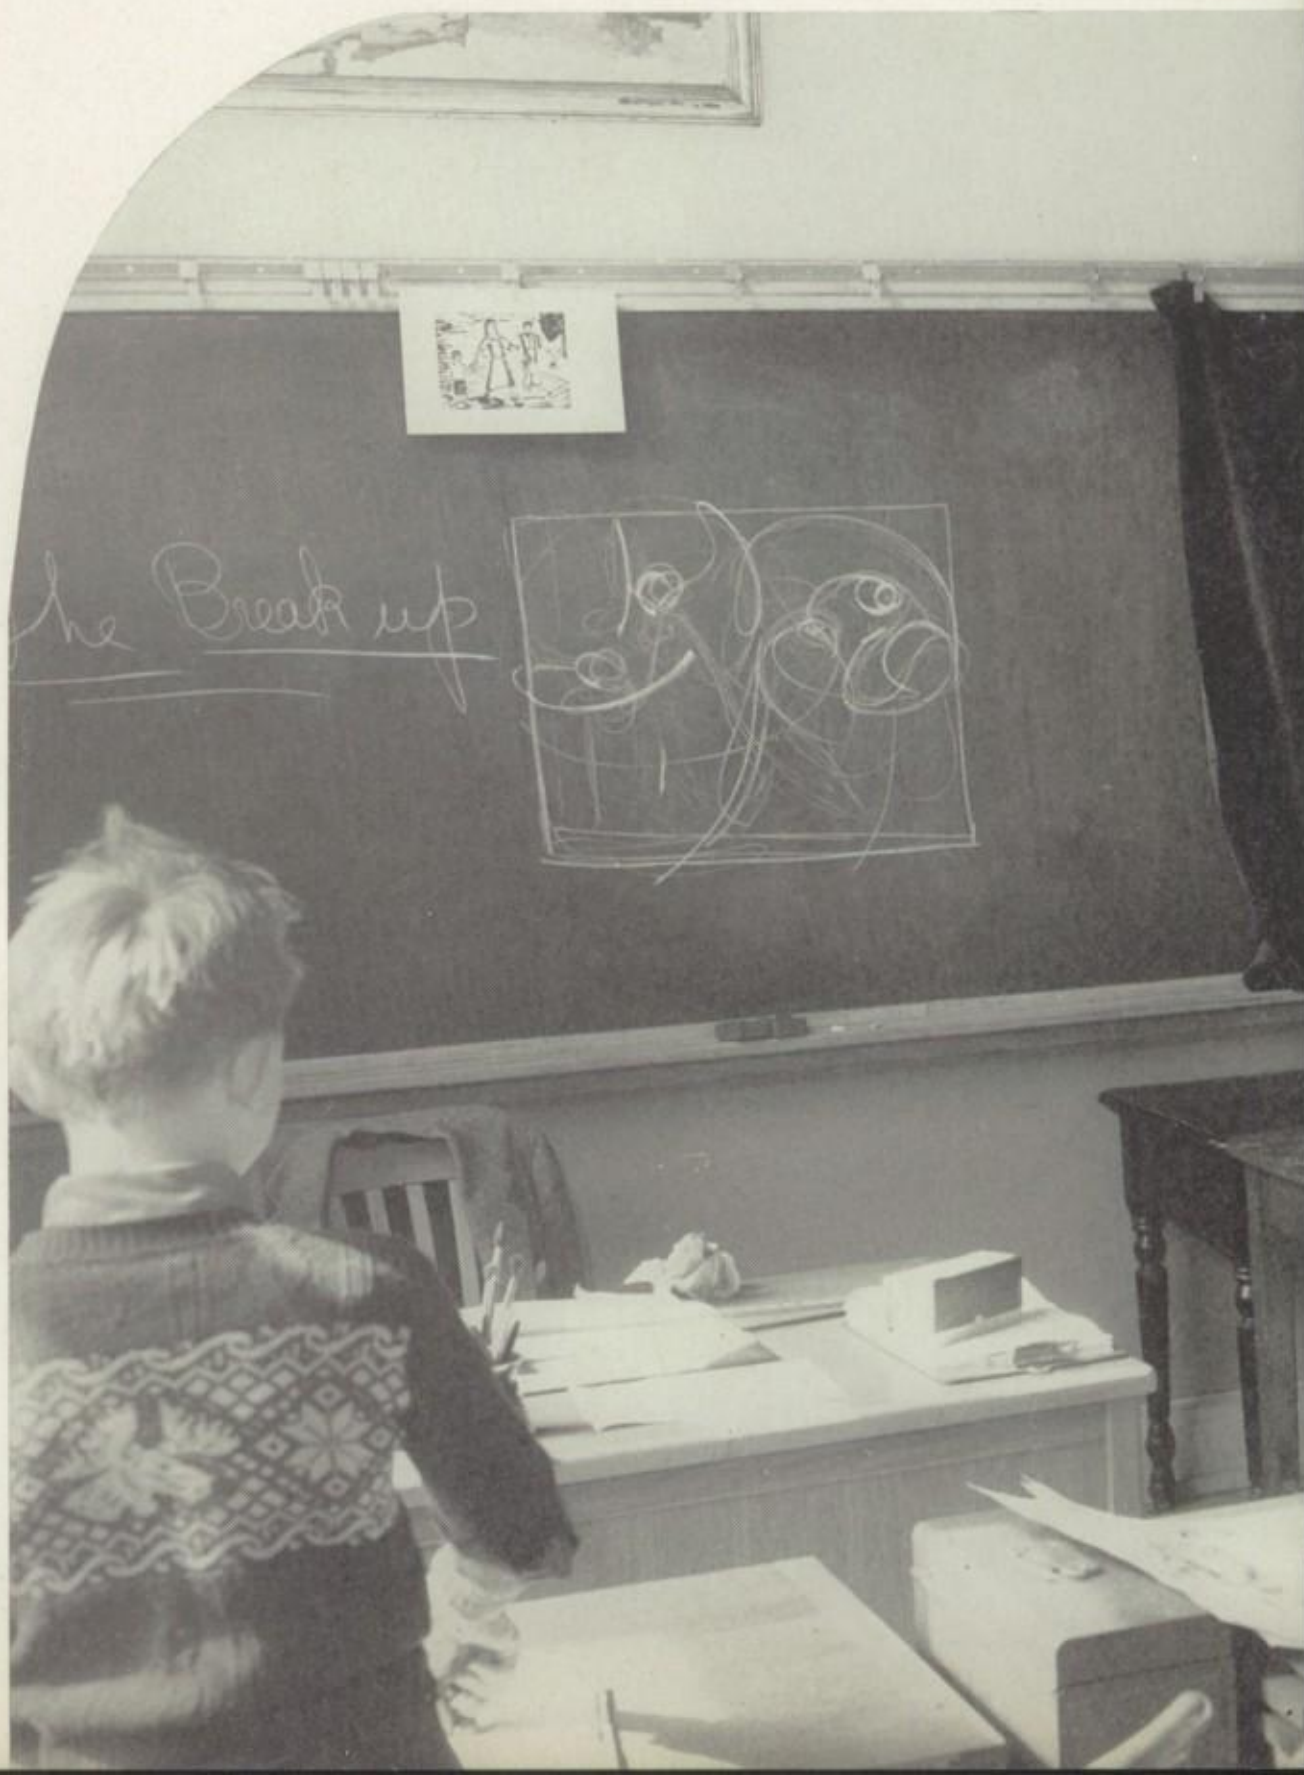

Perhaps with the future in mind, the boys in Lindblom's shops ardently work on their assignments, which range from making a tie rack to working on a complicated engine.

## Music Department

In addition to the required year of music, Lindblom offers the Band, Concert Orchestra, A Cappella Choir, and Chorus to its musically minded students. Through their hard work and endeavor these organizations have added much glory and honor to Lindblom.

## Art Department

Making clay figures, block printing, charcoal sketching and other phases of the artistic world are taught in the art classes at Lindblom. The art department, under the direction of Mr. Schmitt, develops among the students an appreciation for the fine arts and guides each one toward a realization of his abilities in this field.

Scientific facts about general science, biology, physics, and chemistry are learned in the Science Department. This department is becoming increasingly popular since students realize the need for scientific training in today's world.

## *Science Department*

The mysteries of life and death, heat and sound, and light and dark are ably explained to the students in practical applications in Lindblom's Science Department. Under the direction of Miss Goe, it offers general science and biology in the line of fundamental learning, then physics and chemistry for those who wish to specialize in science.

## *Home Arts Department*

Cooking delicious meals that would win praise from anyone and learning to care for a sick person are just two of the many advantages gained from the very useful courses offered by the Home Arts Department under the direction of Mrs. Hayes.

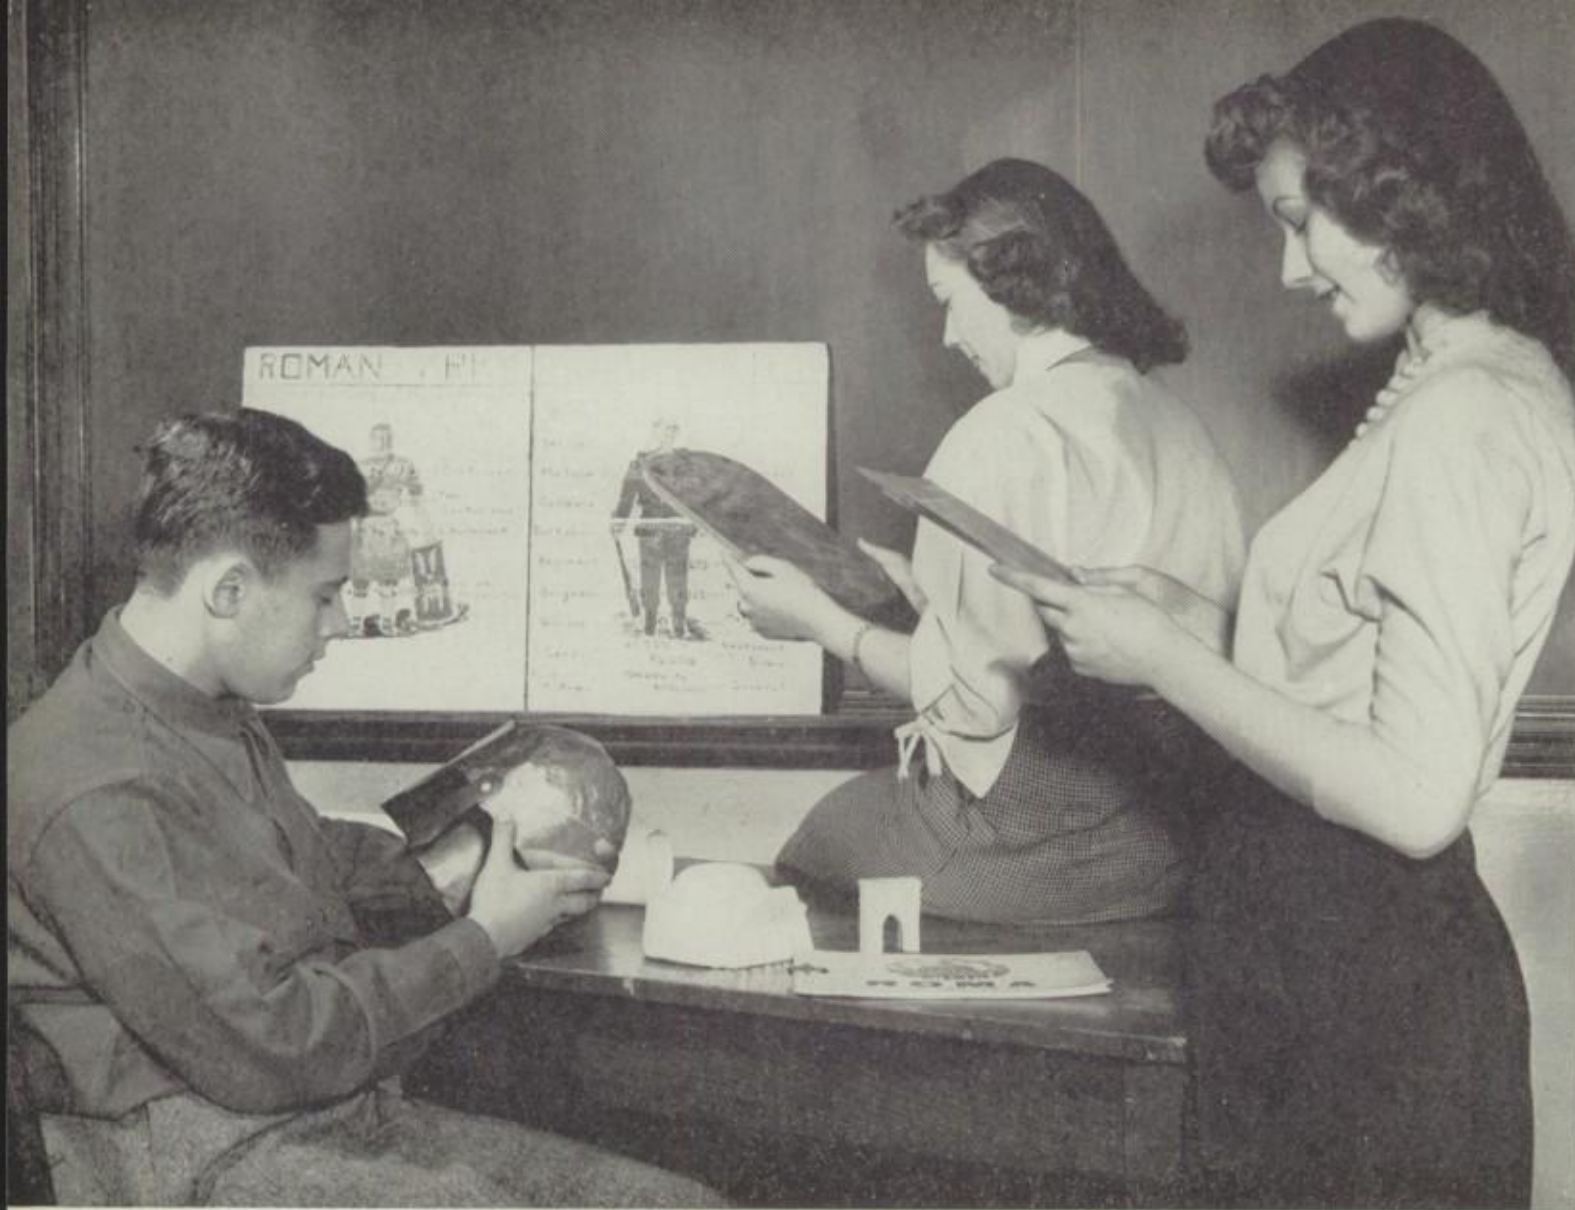

## *Technical Department*

Among the courses offered for boys at Lindblom, the technical course is one of the most popular. With the aid of a complete line of equipment, the boys learn the skills connected with the different shops. Under the guidance of competent instructors, they gain a thorough understanding of the subject they are studying. Among the numerous shops are wood, print, machine, and foundry. Architectural and mechanical drawing are also offered.

## *Language Department*

Language study helps the student to glimpse horizons beyond his immediate view and to develop ideas and values which contribute to an understanding of the world and the people around him. In our Spanish and French classes the students become acquainted, not only with the languages of the countries, but with the customs and traditions of the lands themselves. The study of Latin is useful in acquiring a better understanding of our own language and civilization.

## *Math Department*

Courses offered in algebra, geometry, and advanced mathematics teach Lindblom students to reason more effectively with the exactness so essential to the mathematician. This department, under the direction of Mr. Williams, helps prepare students for a college career and for work in science and technology.

## *Commercial Department*

Students taking the commercial courses offered at Lindblom are preparing themselves for well-paid jobs after graduation. The steno and typing classes teach the would-be secretary speed and efficiency. Essential tools of good office technique are acquired by the student who studies calculating, dictaphone work, and mimeographing.

## *Music . . . It's*

### **MADRIGALS**

To wear the golden stole of the Madrigals is the desire of every choir member. This select group of eighteen, made up of most of the choir soloists, is under the direction of Mr. Pence. Well-known throughout the city, they represent the choir when accommodations are not available for a large group. This year among their accomplishments stand their trips to Great Lakes Naval Hospital and singing at the Football Banquet at the Shoreland Hotel.

### **A CAPPELLA CHOIR**

Known throughout the city for its fine music and outstanding talent is the Lindblom A Cappella Choir. This group, composed of many selected voices, has brought and kept Lindblom in the foreground of high school music. The choir has done much to keep the students of this school interested in music. Under the direction of Mr. Pence, the choir has achieved many honors through its appearance before numerous civic bodies.

## *Concert Orchestra*

The Lindblom concert orchestra, a long standing musical organization of Lindblom, is directed by Mr. Lyngby, who devotes his time to young Toscaninis. The orchestra not only develops in its members perfection in playing an instrument, but it helps to cultivate in them a better appreciation of music. Due to the fact that it takes a great deal of practice to perfect the presentation of an orchestral piece, the orchestra does not perform as often as some other musical organizations. However, it does play at every graduation, Open House, and the Spring Festival.

However, they received the fundamentals of music and through hard work finally graduated into the concert band. At pep rallies, on the football field, at assemblies, and at various other affairs, the Concert Band provides stirring music appropriate to the occasion. These talented musicians have shown the fine results of their many hours of practice by receiving several top honors in annual contests. Mr. Lyngby is the director of this fine musical organization.

Goelz, Layo, Sommer, Nielsen, Weissenhofer, Boers, Bruno.

## *Seeing Red*

### SENIOR GIRLS' COUNCIL

One of the highest honors a Lindblom girl can achieve is to be elected to the Senior Girls' Council. Since competition is so great the twenty-four girls on the Council must be the very best that our school can produce.

Qualifications for membership include a good scholastic rating, dependability, pleasing personality, activities and appearance. She must also be recommended by a teacher and voted upon by each 3A girl.

The Councillors have many opportunities to help the school by conducting sales, assisting with teas, serving at the Spring Festival, and contributing to the upkeep of the Girls' Social Room.

Under the leadership of Mrs. Rule, sponsor, these services and duties are all fulfilled. The Senior Girls' Council is one of the finest organizations within Lindblom.

## *Two on the Aisle*

At any of Lindblom's assemblies or productions, you can see many industrious boys rushing about. If you would look at them closely, you would see that they wear a small maroon badge with letters in gold that says: Lindblom Technical High School Usher. This organization, under the supervision of Mr. Crofts, serves at all of Lindblom's assemblies and productions. These boys devote their time and energy to keeping up the Lindblom tradition of well-managed assemblies.

## EAGLE STAFF

The life of an Eagle Staff member is indeed a restless one. When he is not writing an article, planning a layout, or arranging for pictures, he can usually be found worrying about deadlines or rushing to finish assigned work. However, the end justifies the means for there is no greater thrill for a staff member than the first look at the new Eagle.

Few students realize the great amount of time and effort which is expended on a successful scholastic paper such as the Lindblom Weekly. Often the staff works late into ninth and tenth periods in the buzzing, active Weekly Office, striving to get the next edition out on time. This work is supervised by the Editor-in-Chief, John White, and his assistants, whose job it is to compile, correct, and edit the many articles they receive. The advertising, business, exchange, and circulation manager each has his own work to accomplish in presenting an attractive paper. Mrs. Matz is the member of the faculty who sponsors the Weekly: Mr. Solomon is business manager.

For this job they receive very little thanks except the personal satisfaction of having performed a service for their school.

Under the guidance and instruction of Mr. Schmidt, the Art League contributes its best efforts in assisting the student body in all activities which require its aid. The members of this club are inspired to develop their talents as well as to help educate other students in the art field. The group makes posters and prepares artistic decorations for most of the school's social events.

# On Stage!

With the excellent help of the stage crew, every assembly and stage production at Lindblom is a huge success. Without them it would be almost impossible to have an assembly. From the job of adjusting lights to setting up scenery, the stage crew can always be depended upon for "jobs well done."

The highest scholastic award Lindblom students can achieve is the scholarship certificate, which is acquired by earning an "S" in all major subjects and "E" or "S" in minors. At an assembly held each semester these students receive awards in recognition of their superior class ratings. A glance at the school's organizations will show that these students are leaders, active in everything from choir to basketball. They furnish an example for all to follow.

Lindblom's Honor Society is a highly selective group of students. Those eligible for membership in the society are students who have acquired "E" or above in their majors and "G" or more in their minors. Mr. Yates and Mr. Palmer present the awards at the special Honor Assembly. Members of this society are always found among the contributors to other activities which the school sponsors, and they can be depended upon to display school spirit on all occasions.

### VARSITY FOOTBALL

Memories drifted back to the '48 team as the '51 Eagles went through their season in almost identical fashion. The team beat Fenger in the first game of the season and then went undefeated through their schedule to tie with Tilden for sectional honors. The boys then went by C.V.S., 13-6 in the quarterfinals, battled a scoreless tie with Fenger in the semi's, and then beat Lane for the City League High School Championship. The Eagles only setback was at the hands of Mount Carmel in the annual Prep Bowl battle. Lindblom is again justified for being proud of its football team and its popular, picturesque coach, "Dutch" Von Bremer.

## *Saturday's Heroes*

The Eagles this year played all of their final games in Soldier Field where they came out with a .750 record. The Prep Bowl game was brought to the general public through television broadcasts while all the games were played before capacity crowds.

## *Labant's Lads*

This year's soph team had a mediocre season with 2 wins, 5 losses and 1 tie. They beat Fenger, but dropped the all important game to Tilden that cost them their hair to the varsity barbers. The season started poorly but improved noticeably through the steady stressing of fundamentals by Coach Labant. When they graduate to the varsity, it will be a simple matter to make them part of that tradition in Lindblom football we've known so well.

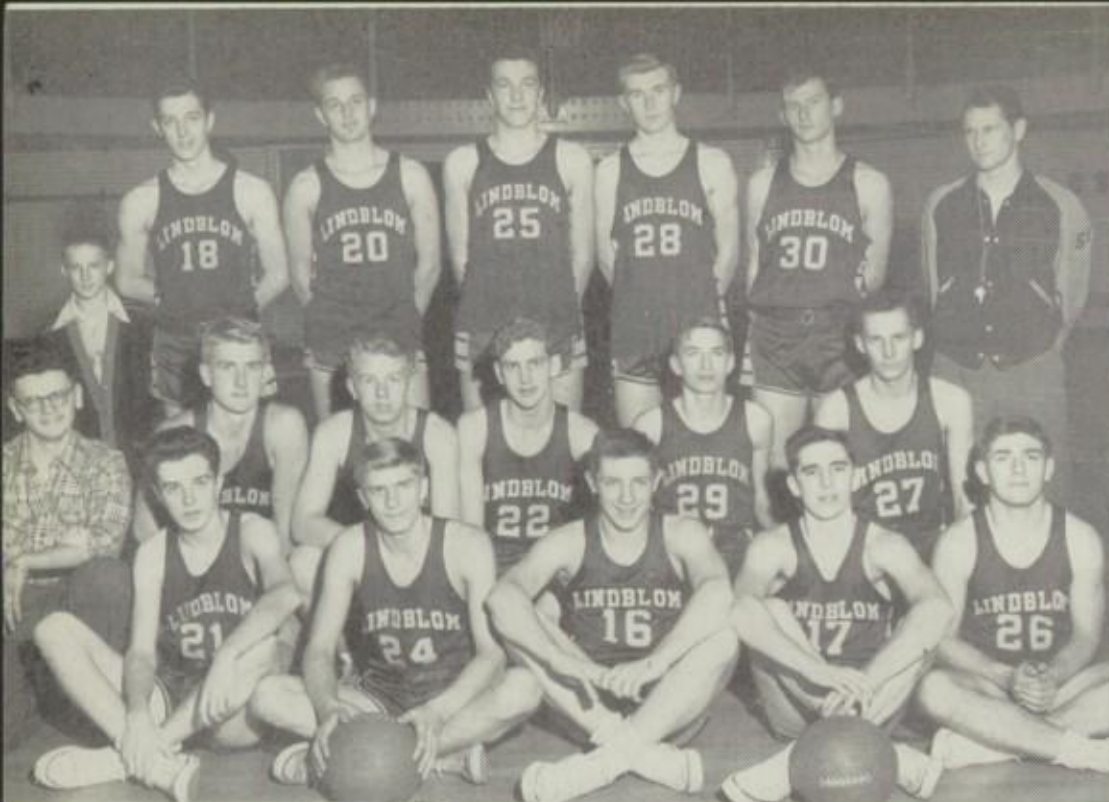

## *Celebrities Gather*

The football banquet this year was held at the Shoreland Hotel to celebrate a highly successful season. The E. I. Moore trophy was awarded to Robert Cassidy and Don Walsh. Next year's co-captains were announced and they were found to be Ralph Knoebel and Rejep Abdul. "Dutch" Von Bremer reviewed the season and presented the team.

## *Look at That Center!*

In the I.I.T. tournament, the boys advanced to third place by going by all the teams with ease, but were stopped by Parker, defending City League Champs. In regular season play and practice games, the team again surpassed last year's record. This gave the team that little improvement that all coaches strive for.

Although the juniors didn't participate in a tourney during the holidays, Coach Jones has turned out quite a powerhouse that played on sheer Lindblom spirit and a little ability mixed in. As did all the other teams, the junior basketball team had a very fine record during league and practice games.

## GYMNASTICS

One of Lindblom's many traditions is the hanging of a championship gymnastic shield in Keeler Hall every June. This year many of the members of last year's championship team are back. They will be trying to make it eight in a row. Last year it was a close meet, as they edged out Lane by six points. Under the guidance of Coach Smidl our boys perform in a manner befitting a championship team.

# Danger! Thin Ice!

The Lindblom Skating Club, which is loaded with champions, many of whom will be back next year, has again come in with a first class record under the colors of "The Flying Dutchman." The team had so many individual champs that it would be fruitless to try and name them. The only thought that lurks in the minds of returning veterans is: "We'll have to work very hard to surpass the record of this year's team."

# The Winning Stroke

Last year, when the juniors took section, it stood to reason that we would have a pretty fair senior squad this year. This proved very true. In the December City Meet, the senior squad just about doubled the juniors' amount of points. All in all, the team had a fairly good season. Our senior relay team, in our home pool, outdistanced a previously unbeaten Fenger relay team to take the meet.

## *It's a Long Fly*

Lindblom has had numerous championships in baseball, and has proved a strong contender many times. This is exceptionally true this year, for they have made a fine record. They showed us that "you can't win em all" but when they did win, they played as true Lindblom teams of the past have always played. They may be headed for many city championships, but whether they win a baseball championship or not, they will always be champs in sportsmanship.

## CHEERLEADERS

At last! A victory for the girls, they're in and the fellows are through as the rah-rah boys. After 32 years of male cheerleaders the fair sex has taken over. These high spirited damsels have led the cheers through their first season, under the supervision of Miss Hackenbroch. The gals whooped it up, even when our teams were behind, giving the boys the spirit to go on and win.

## Fore!

Another sport—golf—is settling into everyday life here at Lindblom. The girls learn the fundamentals in their gym classes while the boys engage in friendly competition with other schools. The group is coached by Mr. Hunter.

# Ten Pin Alley

Since last season, the bowling population has increased so much that Mr. Smith, the team's sponsor, who could be termed coach, is having a hard time showing the boys and girls the correct methods a champion bowler needs. Last year eight teams entered one of the leading national tournaments and made very respectable showings. To celebrate a successful and enjoyable season, the annual banquet was held at one of the well-known restaurants in Chicago.

Any girl who has earned 500 points toward her letter, may become eligible for membership in the L.D. Club. The initiation consists of "dressing up" for school and participating in the annual hike to Catingy Woods. One of the L.D. Club's many activities is holding a party for the boys' L Club in the gym each semester.

They are distinguished by their blue jackets and wonderful personalities. To be chosen as a member of the GAA Board and Cabinet, one must be outstanding in gym work and scholarship. The girls are chosen by the gym teachers and the former Board and Cabinet members. Each Board member is in charge of an activity which enables the members of the GAA to earn their coveted school letters. Besides the many duties the girls perform they present the semi-annual GAA party and are in charge of the Achievement Assembly at which the Athletic Awards are presented.

# Pep's Diary

- FEBRUARY 4**..... Proudly we write "4A". Did we ever think we would make it? Tom Batastini, Jack Wrage, and Walter Janczewski are preying on dazed freshies, selling them elevator permits, portable lockers, shock treatments for basketball hysteria, and inoculations against D's.
- FEBRUARY 8**..... Induction Assembly. Jean Rzeszut and Ron Vlasaty give the freshies a helping hand in understanding Lindblom's tactics.
- FEBRUARY 12**..... Jim Obrieht and Jack Koppin take advantage of the holiday by going swimming in Marquette Park Lagoon.
- FEBRUARY 15**..... Social Center tonight. Virginia Till was slightly embarrassed when she said, "Hello, Jack," to Jim Nance. That's okay, Gin. We can't tell them apart either!
- FEBRUARY 16**..... Anyone in need of a second-hand civics outline, see Jerry Spezia, Myron Hrynnszyn, or Pete and Ed Shaputis. They're starting in early to get at least \$2.00 saved for the Prom.
- FEBRUARY 18**..... Clutching the steering wheel in one hand, Tom Lyons stumbled into school this morning, covered with bandages. This was the result of teaching Lillian Radivoy how to drive last night.
- FEBRUARY 21**..... Shirley Muszynski, Ruth Cekal, Marilyn Voss, and Violet Schiller are now full fledged chemists. They concoted a secret formula and spilled some on a desk. Presto! It disappeared! Quote the girls: "Let's spread that chem magic on our books!"
- FEBRUARY 22**..... Happy birthday, George! Shirley Jackson, Angie Just, and Arlene Wickman plan to take advantage of the weekend holiday cruising around the world.
- FEBRUARY 25**..... Joan Putnam has just received 423 more Valentines. They have been pouring in since the 14th.
- FEBRUARY 27**..... Honor Society Assembly. Mary Radich proudly shows off her well-earned pin. Congratulations, Mary!
- FEBRUARY 28**..... Burt Levinthal and Ron Dellamano both predict they'll score 50 points against Tilden today. They should. They have the necessary inspiration. WOW!!!
- FEBRUARY 29**..... D Day for Lindblom's males. Don Bergstrom was last seen running down the back alley with a dozen hopeful girls chasing him. Since this day comes but once in four years, the girls are determined to make the most of it.
- MARCH 3**..... Last week of the marking period. Jack Lange and Bob Vicich bring a bushel of apples to school. I wonder why?
- MARCH 11**..... Report books today. Beverly Nielson, Dorothy Sommers, Beverly Evkovich, and Irene Rasmusen again receive all S's. Oh well, we can't all be brains.
- MARCH 12**..... No, that wasn't an initiation. It was just Joan Serafin walking around with her white buckskin shoes and red knee-socks.
- MARCH 16**..... Dick Drew and Marv Peterson have just thought of a name for the Prom, "Hag's Hop". Their funeral will be held tomorrow.
- MARCH 17**..... Nancy (Irish) Brzoznowski and Bob (Patrick) Makowski came to school wearing their brightest green.
- MARCH 19**..... Willie Welsh, Don Kumorek, and Don Molitor are finally becoming model students. They helped Mr. Jepsen open the windows and collect the homework papers.
- MARCH 23**..... Gene Gralinski and Maxine Dobslaw spent all day standing on State and Madison Streets passing out mimeographed copies of their phone numbers. Hmmmmmm . . . Could be ye old Prom draws near.
- APRIL 1**..... Nancy Schmidt and Don Wood announce their engagement. APRIL FOOL!!

# Pep's Diary

- APRIL 6.....Robert Trlak is contemplating a career in art. He spends all his time painting portraits of a certain young lady.
- APRIL 15.....Report books again. Daisy Roth and Virginia Nonko had all their marks lowered. Have they become social butterflies?
- APRIL 16.....Dick Kenney suddenly decides to join the Marines. Can Mr. Kaplan's Civics tests have anything to do with it?
- APRIL 17.....Elaine Stelter, Janice Patton, Loretta Spokes, and Eleanor Kraft have finally sold all their tickets for the "FLAMES" dance which was held last month. Well done, girls!
- APRIL 25.....Dale Swanson, Phyllis Barnes, and Ann Kakaris have received offers from the Metropolitan Opera Company because of their wonderful vocalizing in the Music Festival.
- APRIL 28.....Although this is Spring Vacation, Shane Bellis and Ken Hofer insist on coming to school. They have their hearts set on raising their averages above 4.00.
- MAY 6.....Cleanup week has come and gone so fast that Chuck Duewerth and Bob Thomalla wonder where it went. They slept from Sunday to Sunday.
- MAY 8.....The EAGLES are out at last. Marion Stoginski and Bob Babich asked for police protection to save them from an irate mob complaining that their names were misspelled.
- MAY 9.....Don Walsh claims he lost his football pin in a poker game. For the truth see Janet Underwood.
- MAY 15.....Tony Rogovich, Jim Richardson, and Don Hedman make the final payments on their EAGLES. Thanks fellows!
- MAY 19.....Wayne Leyden and Bob Steensma submitted a Civic outline which was due February 15th.
- MAY 23.....Elsie Novosel, Nancy Kernica, Kay Cahill, Floyd Abraham, Marvin Gerber, and Ed Bloom were among the enthusiastic contributors to Lindblom's successful "Lark."
- MAY 27.....Marking day again. Howie Reeves and Ray Goerg proudly show off their report books. All G's!
- MAY 29.....Lindblom pays silent tribute to her honored dead at the Memorial Day Assembly.
- MAY 30.....The beaches are crowded with Lindblomites. Thanks to Tom Uraski, Bernice Viola had a chance to practice her "Life Saving" procedures.
- JUNE 3.....Betty Makkay tearfully parts with the Achievement Cup at the G.A.A. Assembly.
- JUNE 6.....Lindblom's male athletes win their awards, and Frank Blazek relinquishes his coveted Achievement Cup to 1952's most deserving boy.
- JUNE 11.....The freshies are still frolicsome, but the seniors are now savants. Time marches on! Forward, sages.
- JUNE 12.....Achievement Assembly. Stuart Carstens and Harry Snoreck decide to start working for their Golden Eagle. It's a little late, isn't it, boys?
- JUNE 13.....Prom night! An evening of delight and enchantment. We whirl dreamily through a maze of pastel forms and flashing tuxedos. May the magic of this night live forever in our hearts.
- JUNE 25....."Adieu, adieu to all of you." Memories of our four wonderful years at Lindblom crowd in upon us. Initiations . . . Coke's at Dan's . . . Pep Rallies . . . Prep Bowl Game . . . Social Center Dances . . . The Class Sing . . . Now, with tear-stained cheeks, we clutch our coveted diplomas and bid farewell to all the wonderful friends we've made and to our Alma Mater, Lindblom. These will always remain in our album of ENDURING MEMORIES.

Best Wishes  
to the Class of 1952
